

Doug Gillquist

Senior Director of Development, ExploreGod

Doug joined GMO in 2023 and has an extensive background working in relational fundraising for over 25 years. Doug also brings leadership experience from his time on staff at Focus on the Family, UNW Media, Family Research Council and Prison Fellowship Ministries.

Doug received his degree from the University of Northwestern in St. Paul, Minnesota where he was also eventually employed and helped in growing the listener support of UNW's growing Christian Radio network. Doug and his wife Melanie have three married daughters and now three grandsons.

He is passionate about pouring into people, including the ultimate truth found in Jesus Christ and in seeing people grow in their Christian faith.
