

Richard Chuang

Senior Solutions Director, ExploreGod

Rich joined Global Media Outreach with extensive expertise in program and product management, along with nine years as a missionary and pastor in Japan. At GMO, he has served as product lead and also led key process improvement projects to streamline operations.

His background includes leadership roles at Fortune 500 tech companies and leading fintech organizations, where he successfully managed product offerings and drove strategic initiatives.

Rich is passionate about making a lasting impact, blending his business acumen with his heart for ministry to support the mission of sharing the message of Jesus Christ.
