

Tom Seely

Vice President of Program, ExploreGod

Tom Seely has over two decades of experience in digital strategy and ministry leadership, specializing in digital marketing, strategic planning, as well as online evangelism and discipleship. Since joining Global Media Outreach in 2022, he has led the Outreach Team, overseeing all paid advertising efforts for the ministry globally.

Prior to Global Media Outreach, Tom served for 29 years with Cru, a global ministry dedicated to fulfilling the Great Commission. He spent 18 years in Budapest, Hungary, where he was Director of Digital Strategies for Central & Eastern Europe. In this role, he helped establish more than 10 online ministry teams across Eastern and Central Europe.

Tom holds a Bachelor's Degree in Computer Science from Texas A&M University. He currently resides in New York City with his wife of 34 years, and they have four adult children.
